

Hello, we are some web studio :)

We work with the most ambitious companies and have helped build and transform some of the most recognised brands of recent years .

By redefining brand experiences, we help companies connect with the world by helping them solve some of the most important business challenges faced today.

Our work is increasingly focused on long term brand strategy and our process is proven to help clients achieve significant growth.

RADiCAL Motion

Join a growing community of 3D animation lovers and computer graphics professionals to experience the future of AI-powered 3D animation.

Because we use AI to detect and reconstruct human motion in 3D, you won't need special suits, sensors, cameras or other hardware. All you need is your phone and this app.

HOW TO USE:

- Choose landscape mode
- Use a tripod (or hold camera still)
- Capture entire body
- Upload videodream community.

BUCKiDREAM - My Bucket List

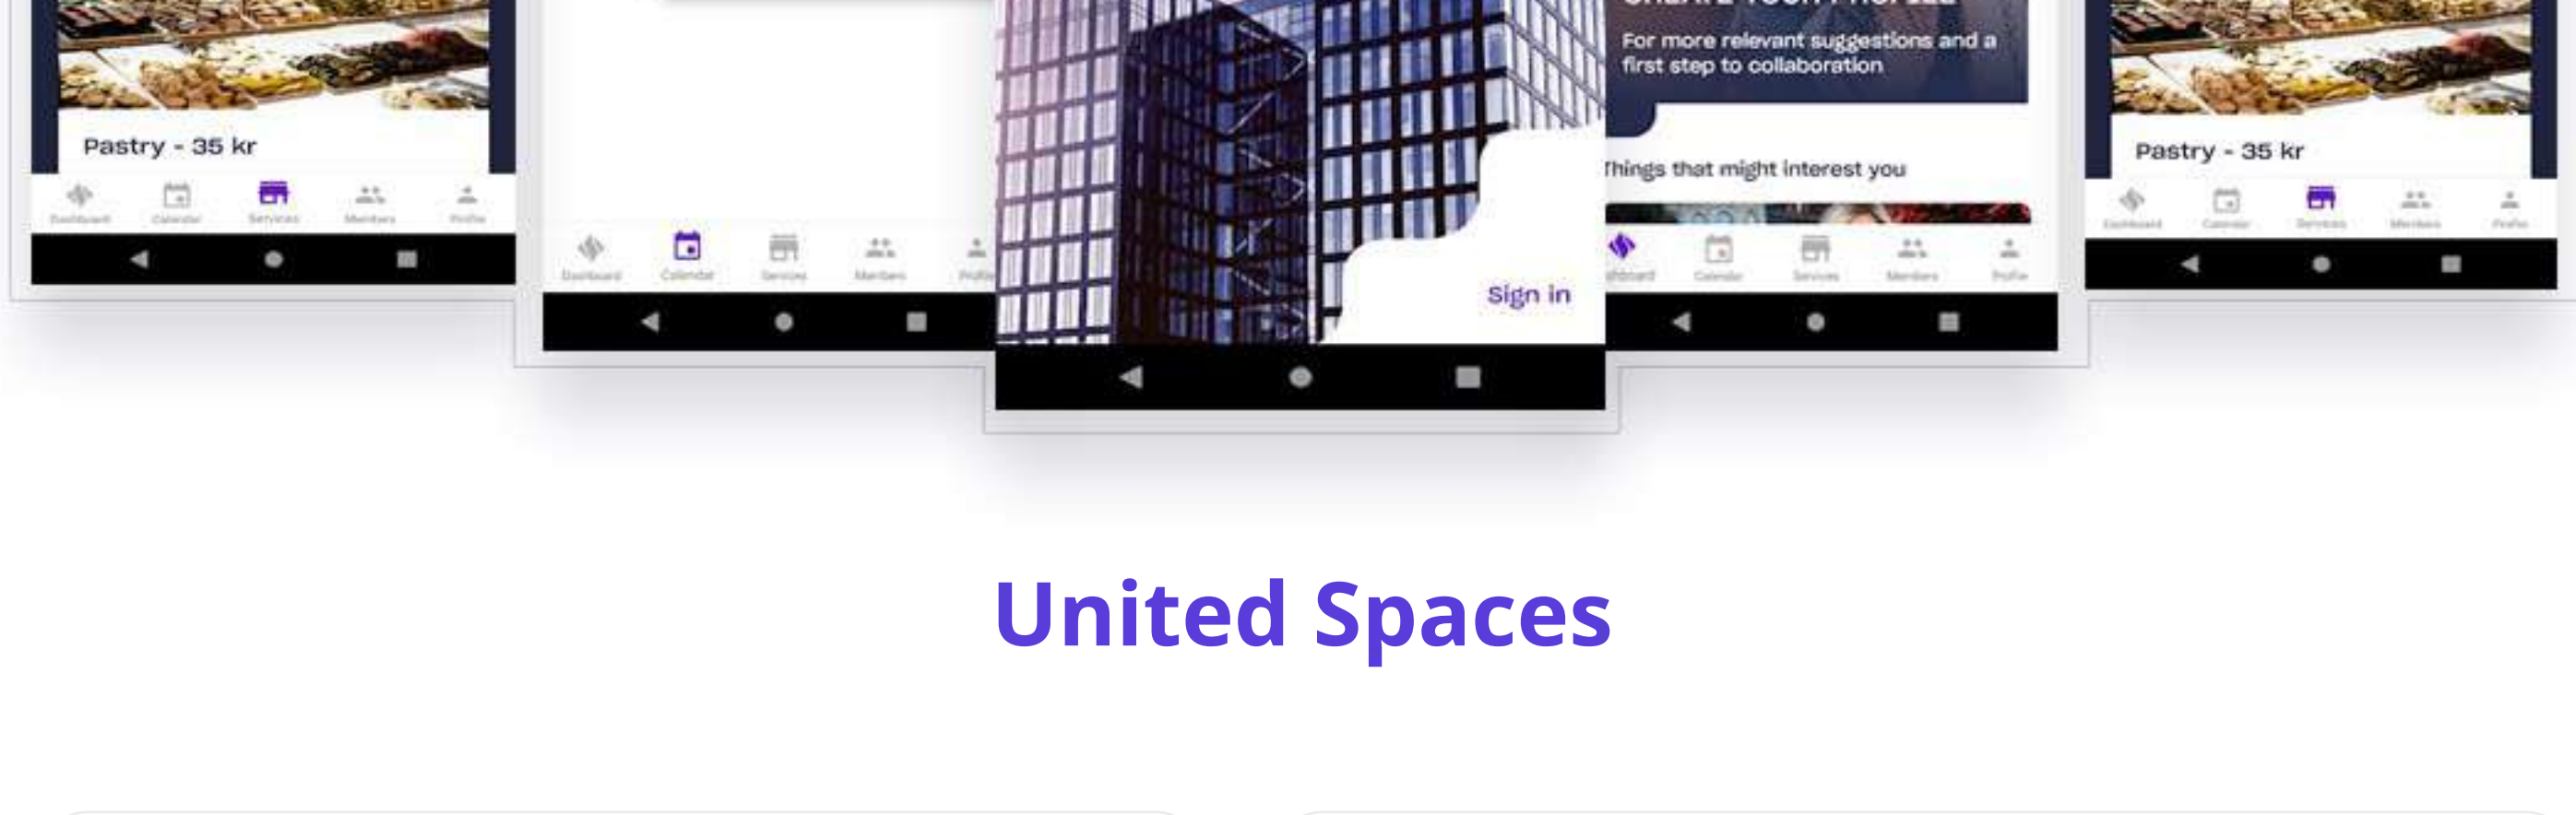

BUCKiDREAM is the World's First Dream Platform. An exciting dream app to create your dreams and share your bucket lists.

"People who say it cannot be done should not interrupt those who are doing it." - George B. Shaw

Dream Bold. Dream Big.

FEATURES:

- > Create dreams, add them to bucket lists, and share them with friends.
- > Browse through featured bucket lists and get inspired.
- > Explore thousands of unique dreams from across the world.
- > Follow your friends and build up your follower base from our global

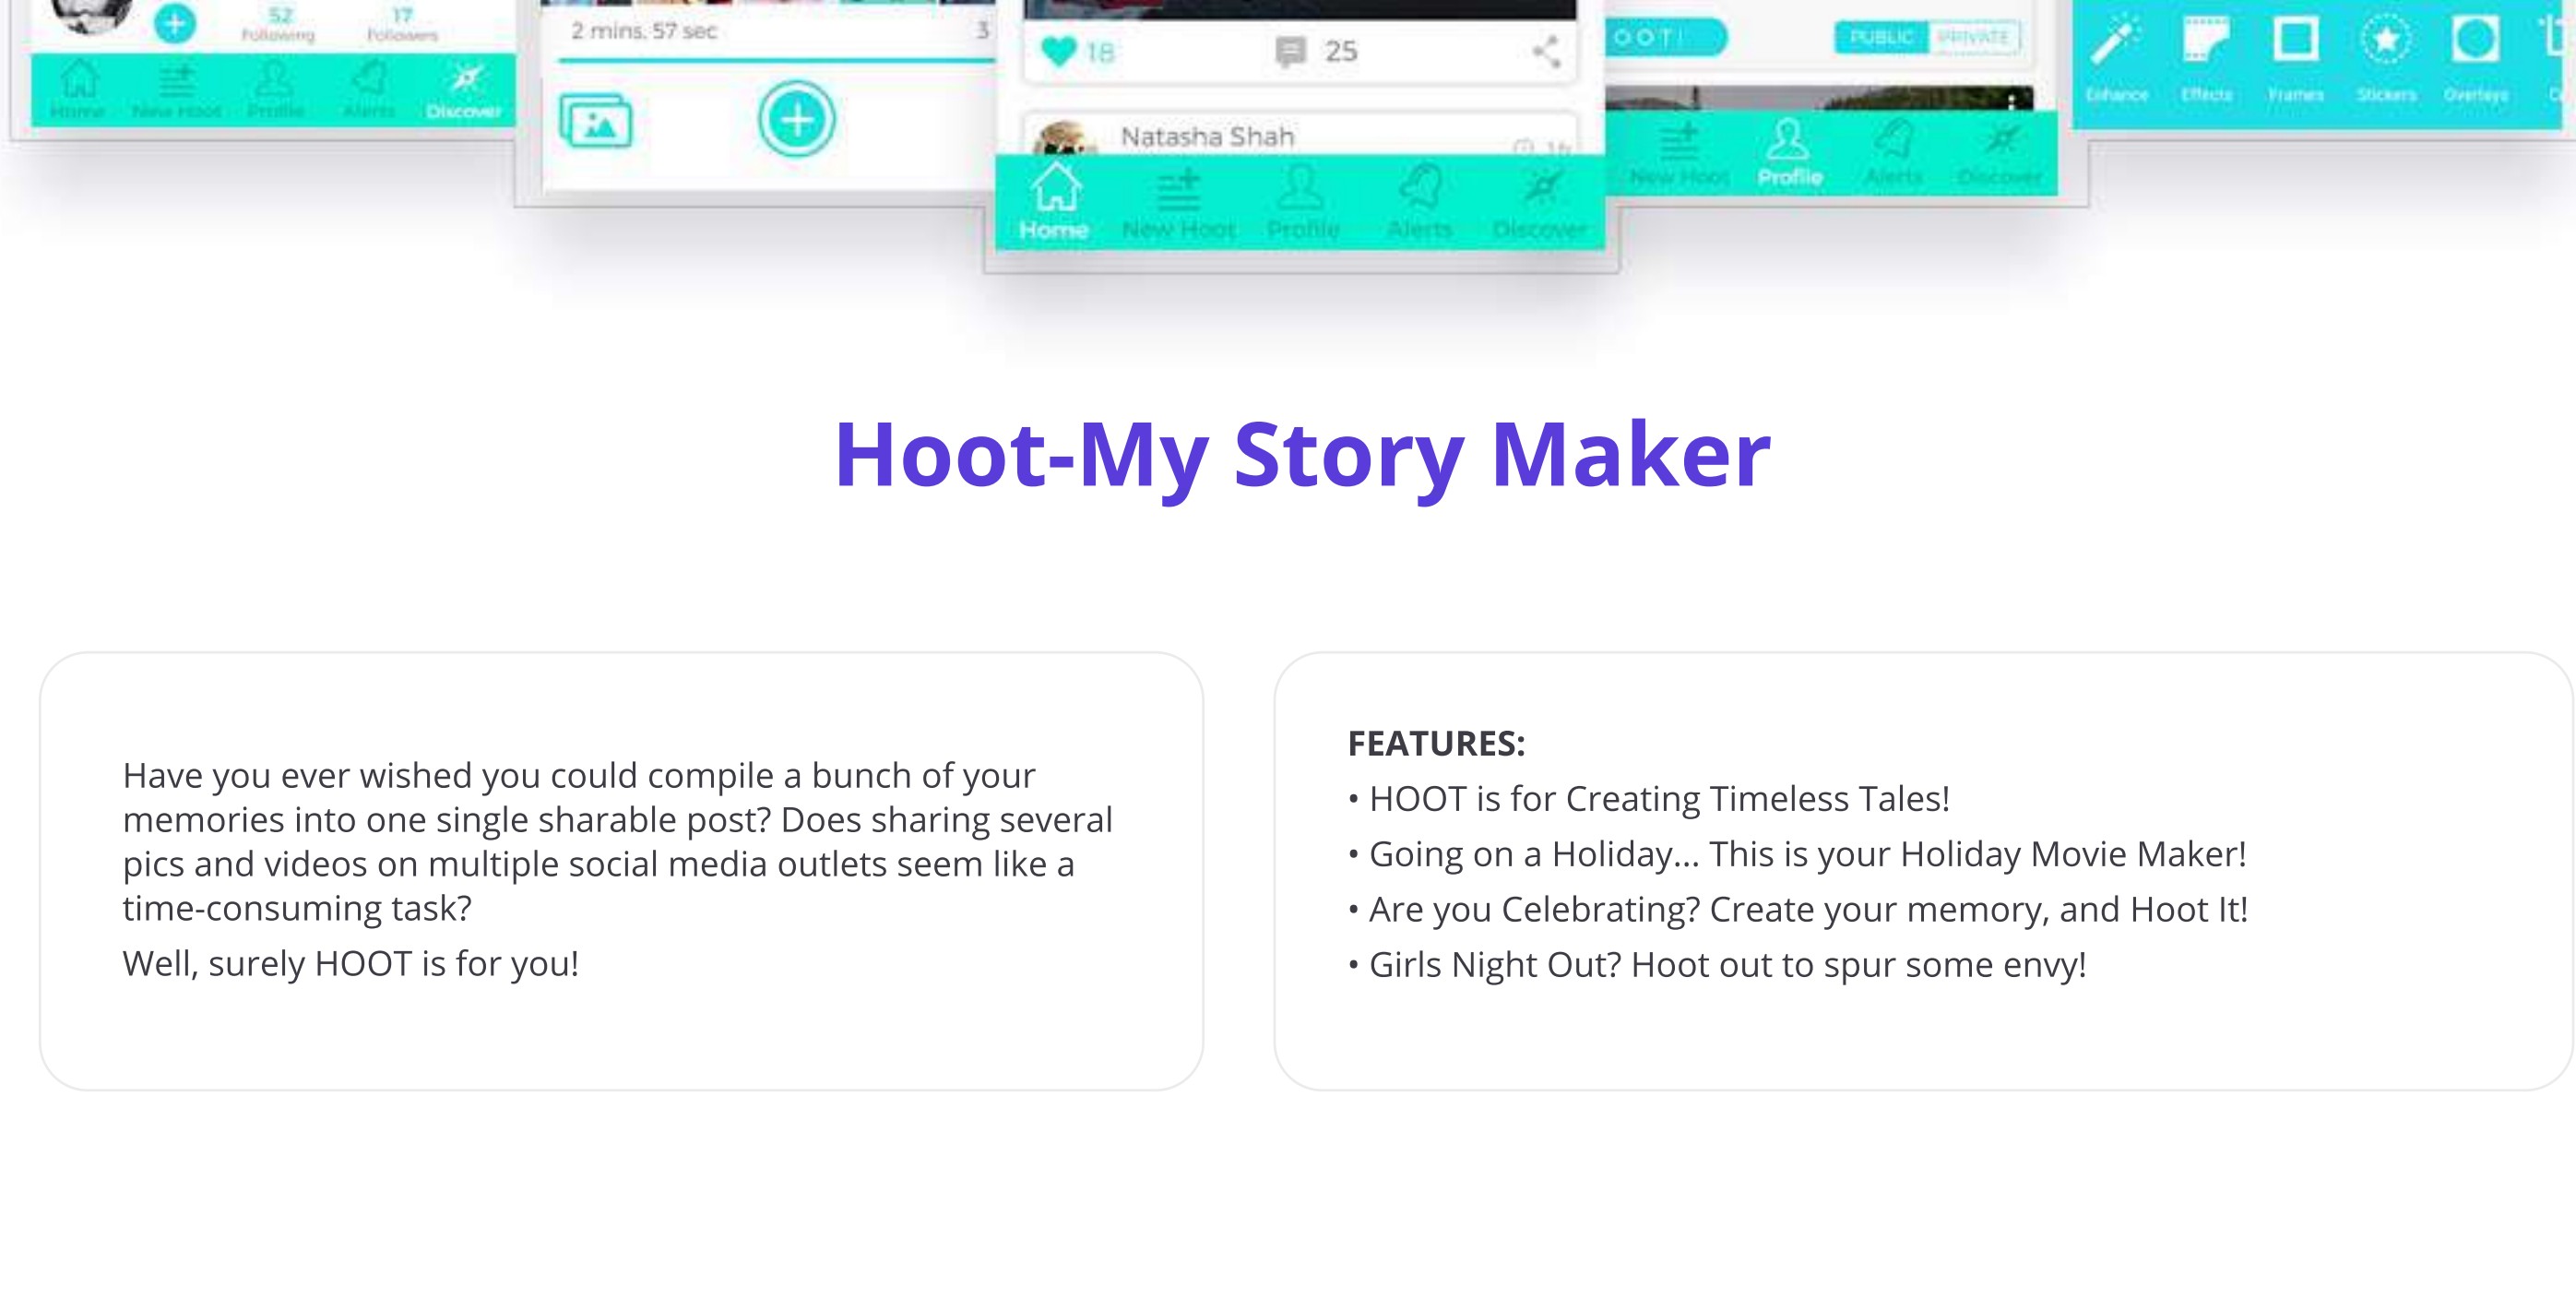

United Spaces

United Spaces is the future of work. As our physical offices in Stockholm, Göteborg, Arlanda and Malmö we are providing a world class co-working space. Collaboration, sharing ideas and growing together is what we do. With our new re-designed app we're giving you a simple way to get the most out of the United Spaces experience.

FEATURES:

- Create your own profile and company page
- Book meeting rooms and edit them to fit your needs
- Shop for drinks, food and stationary items and pay by invoicedream community.

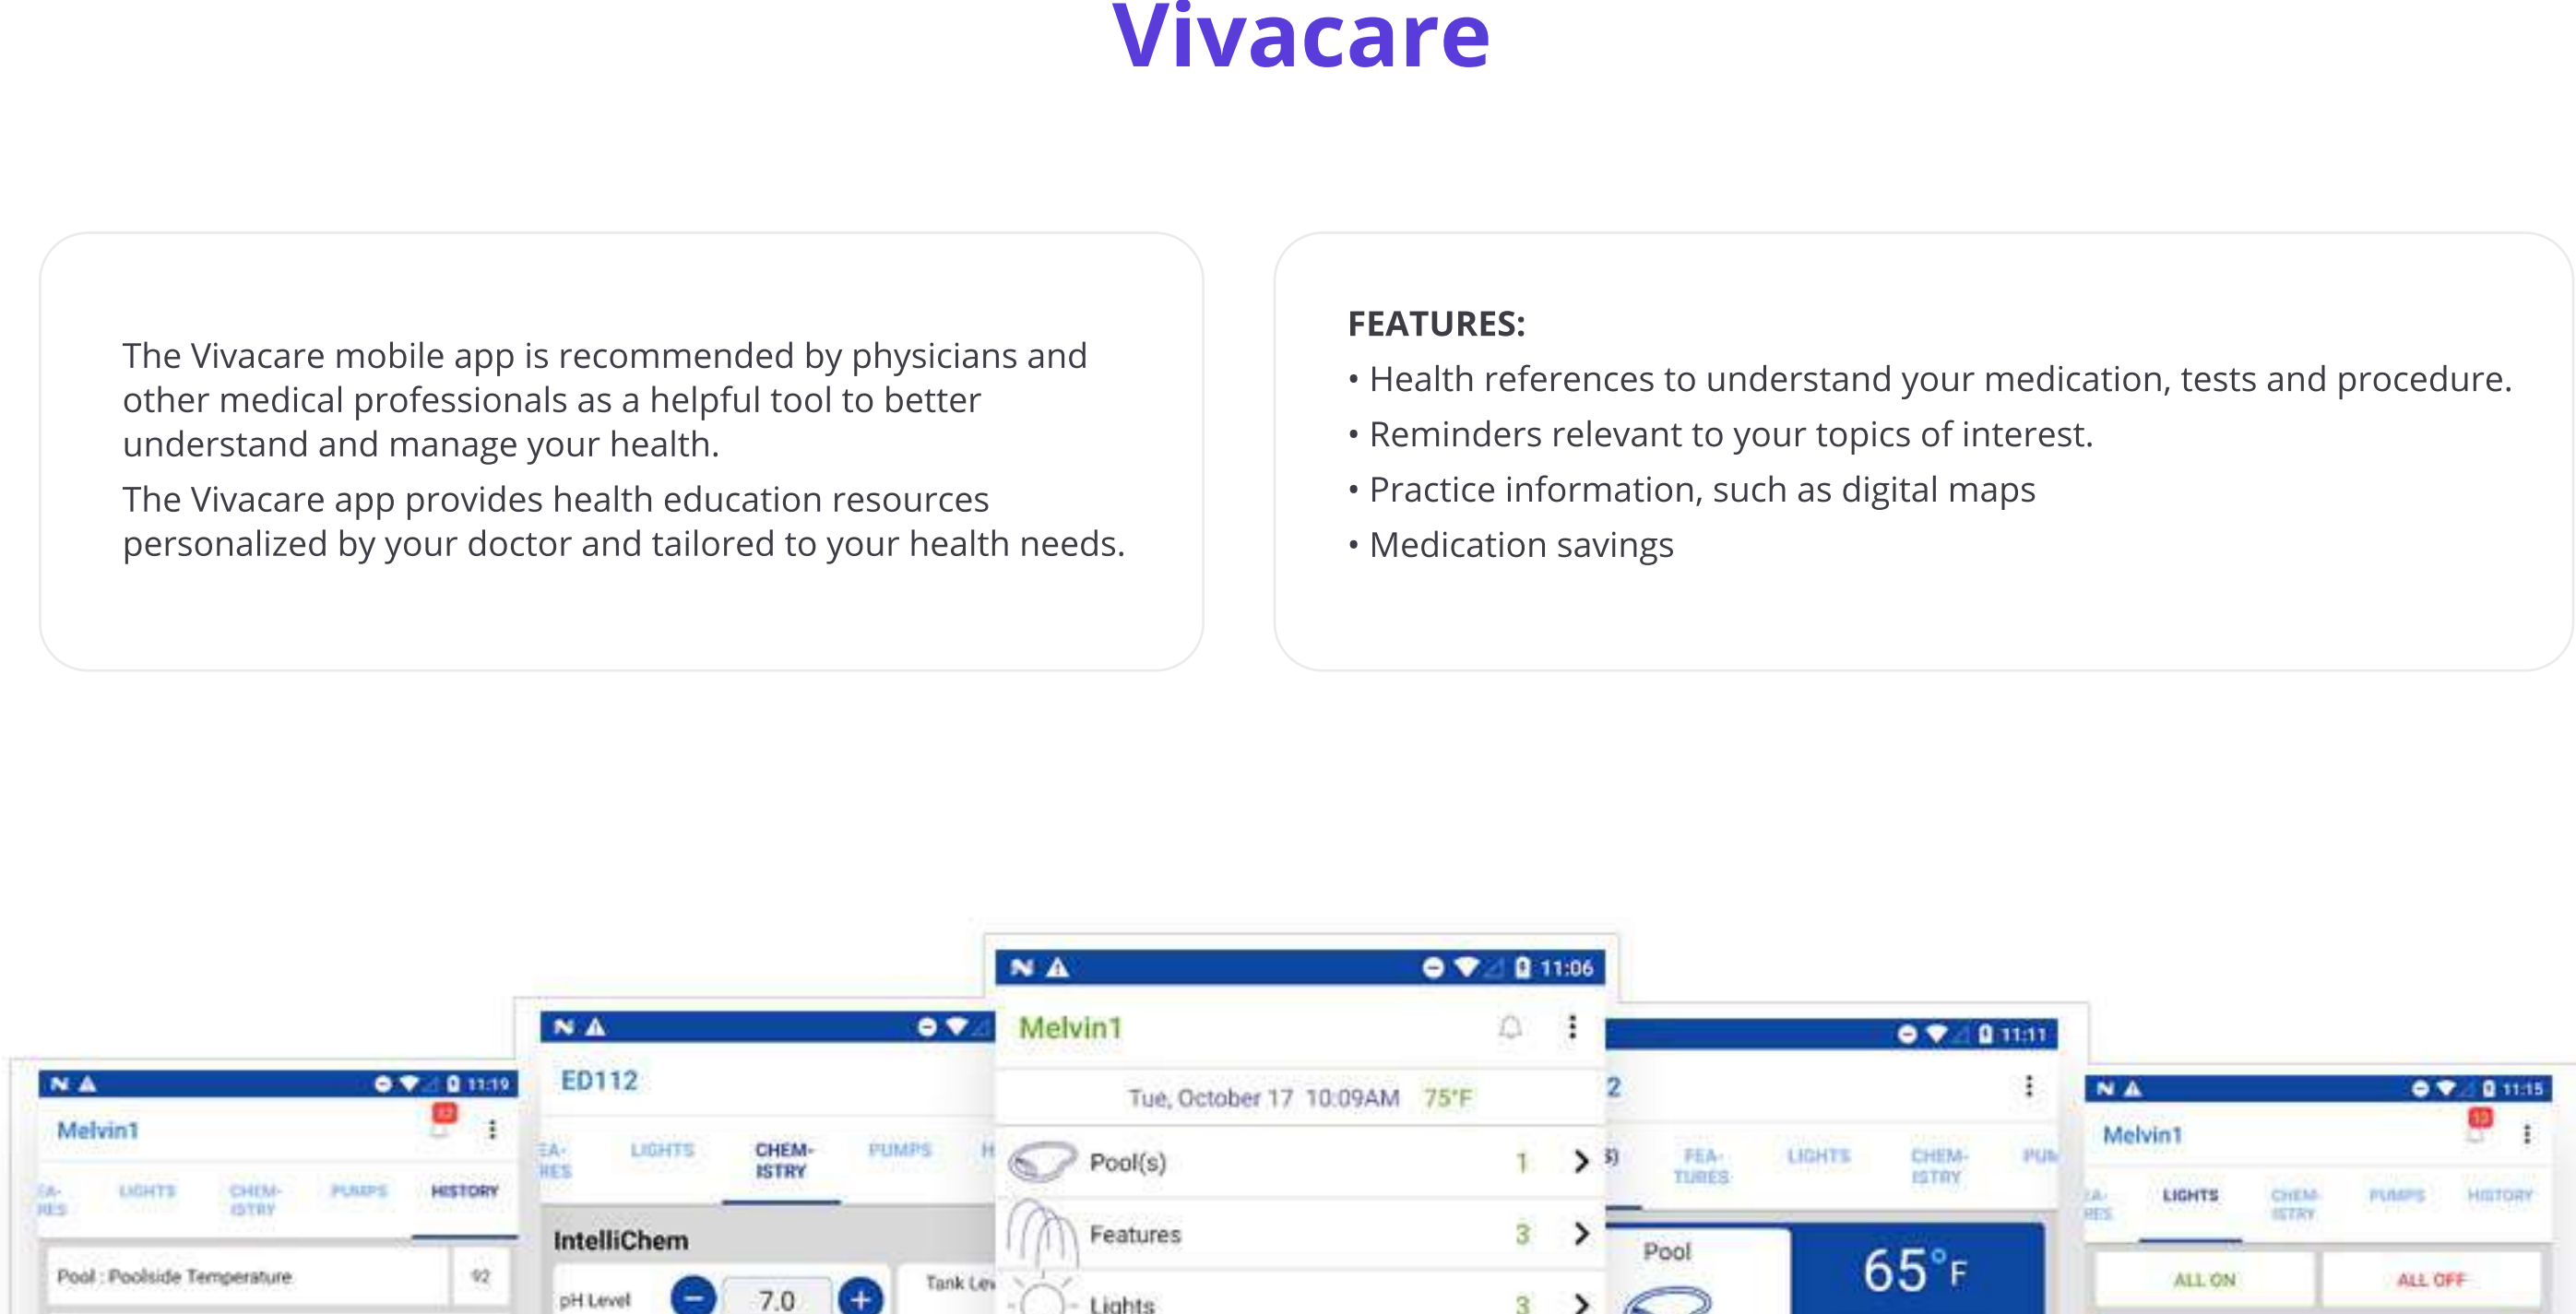

Hoot-My Story Maker

Have you ever wished you could compile a bunch of your memories into one single shareable post? Does sharing several pics and videos on multiple social media outlets seem like a time-consuming task?

Well, surely HOOT is for you!

FEATURES:

- HOOT is for Creating Timeless Tales!
- Going on a Holiday... This is your Holiday Movie Maker!
- Are you Celebrating? Create your memory, and Hoot it!
- Girls Night Out? Hoot out to spur some envy!

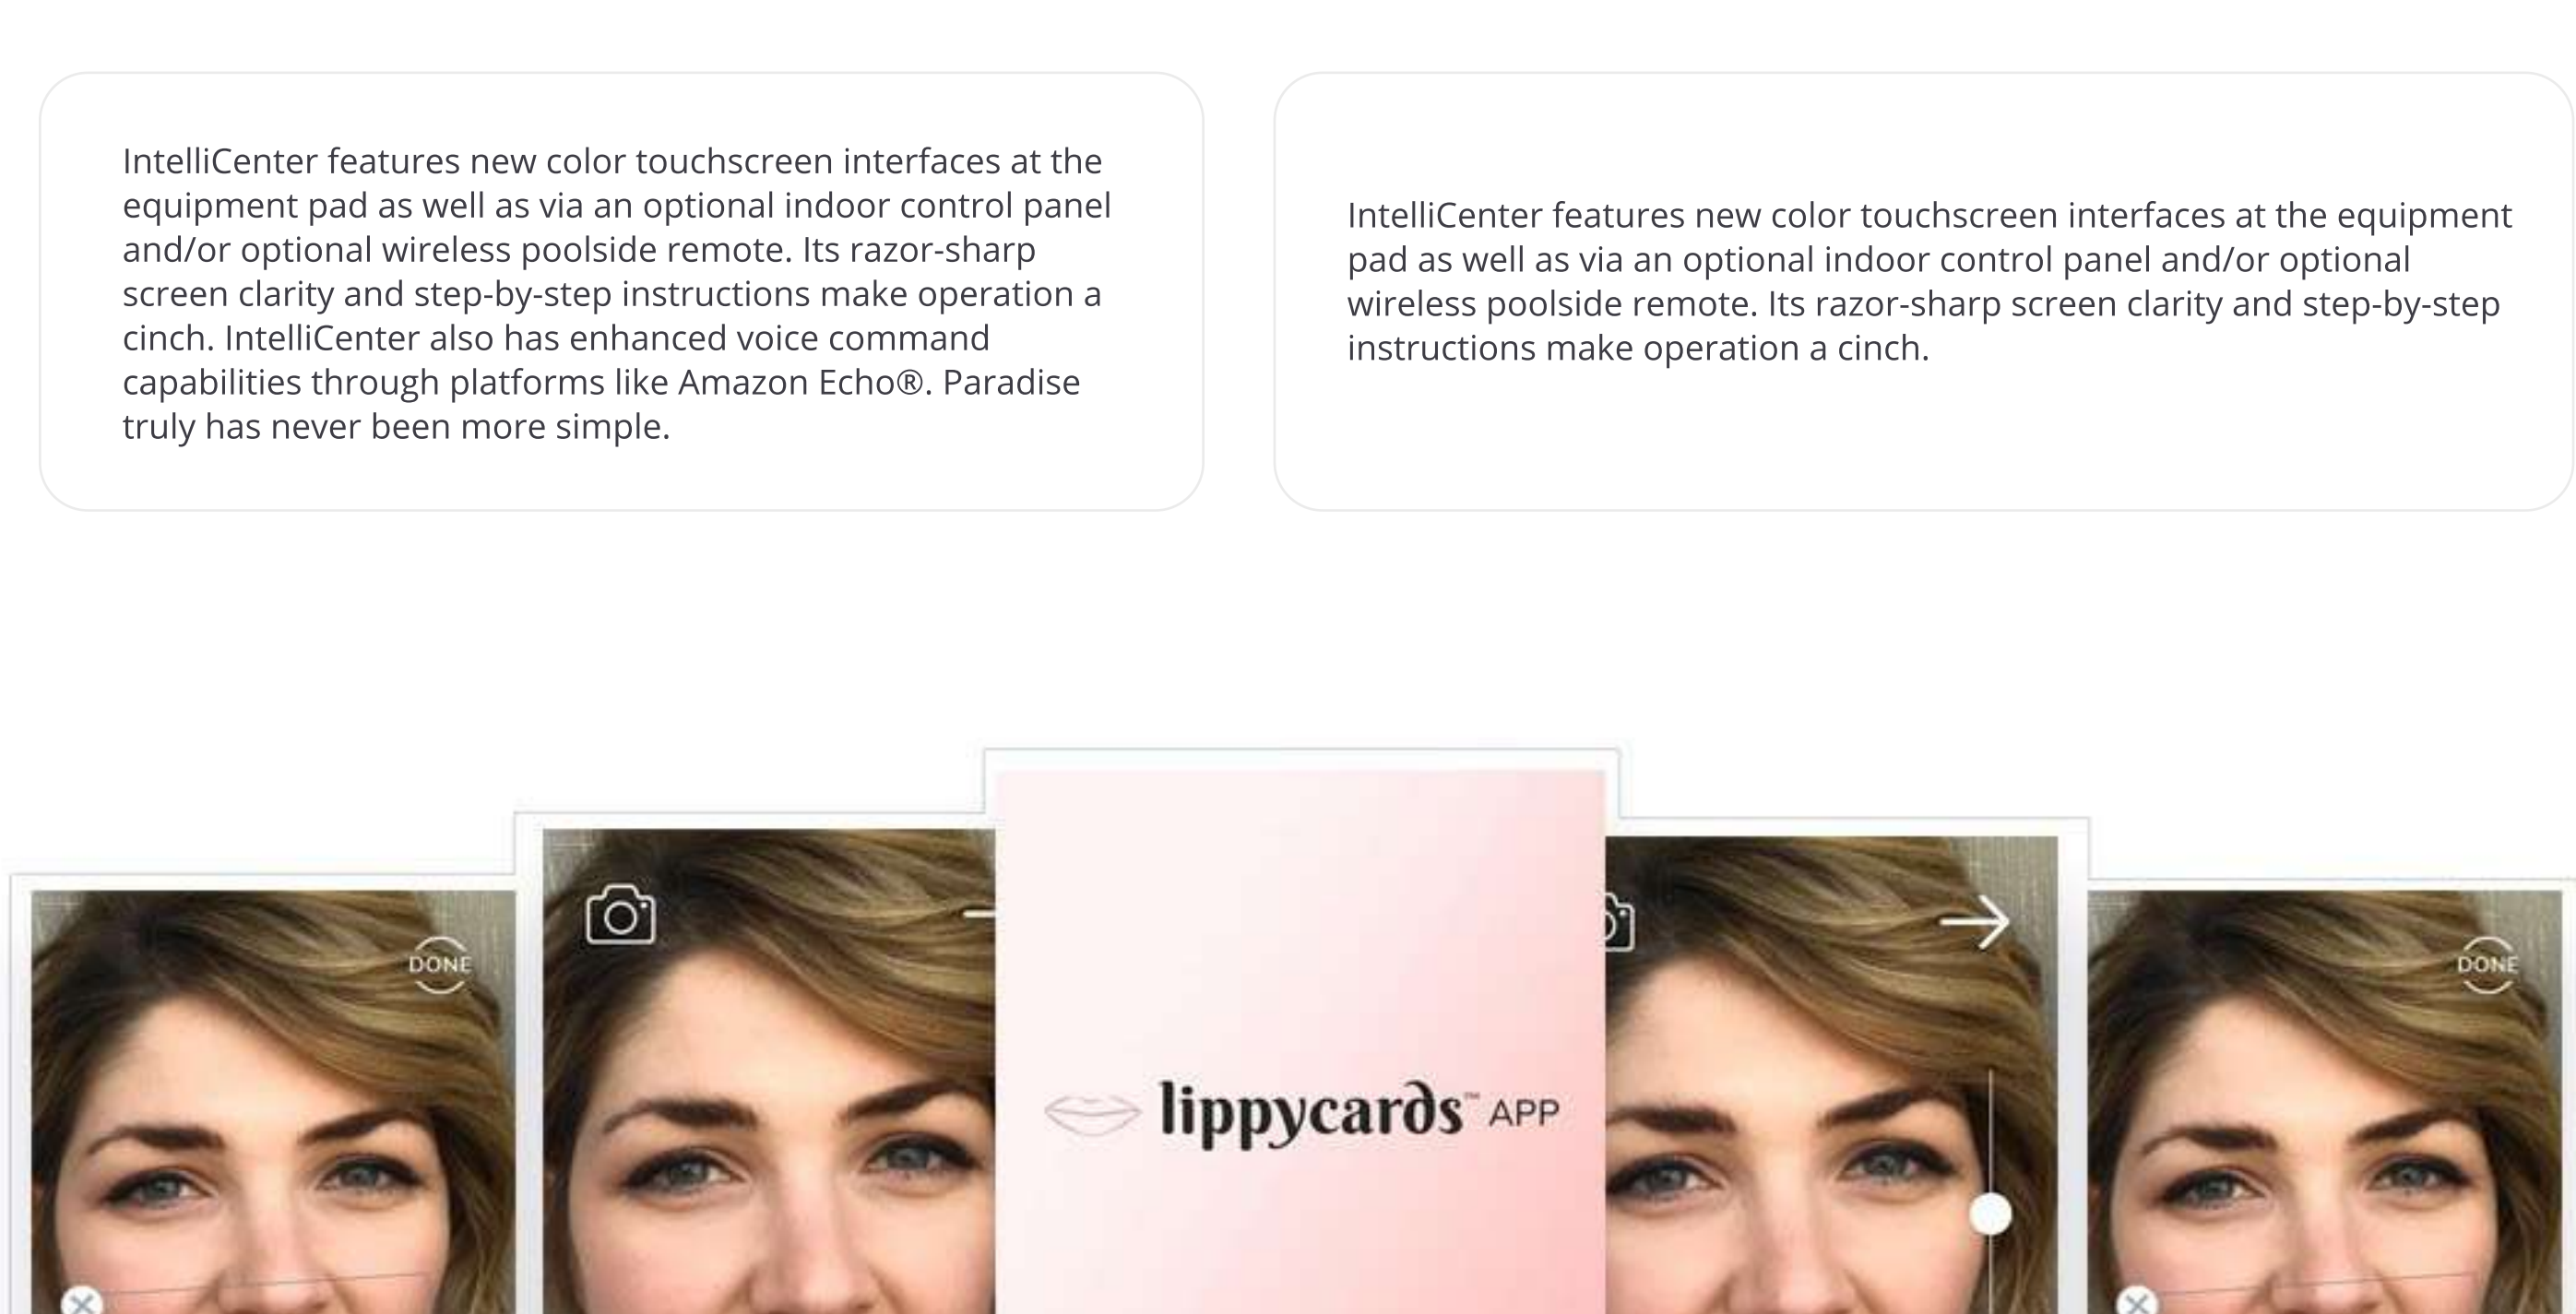

Vivacare

The Vivacare mobile app is recommended by physicians and other medical professionals as a helpful tool to better understand and manage your health.

The Vivacare app provides health education resources personalized by your doctor and tailored to your health needs.

FEATURES:

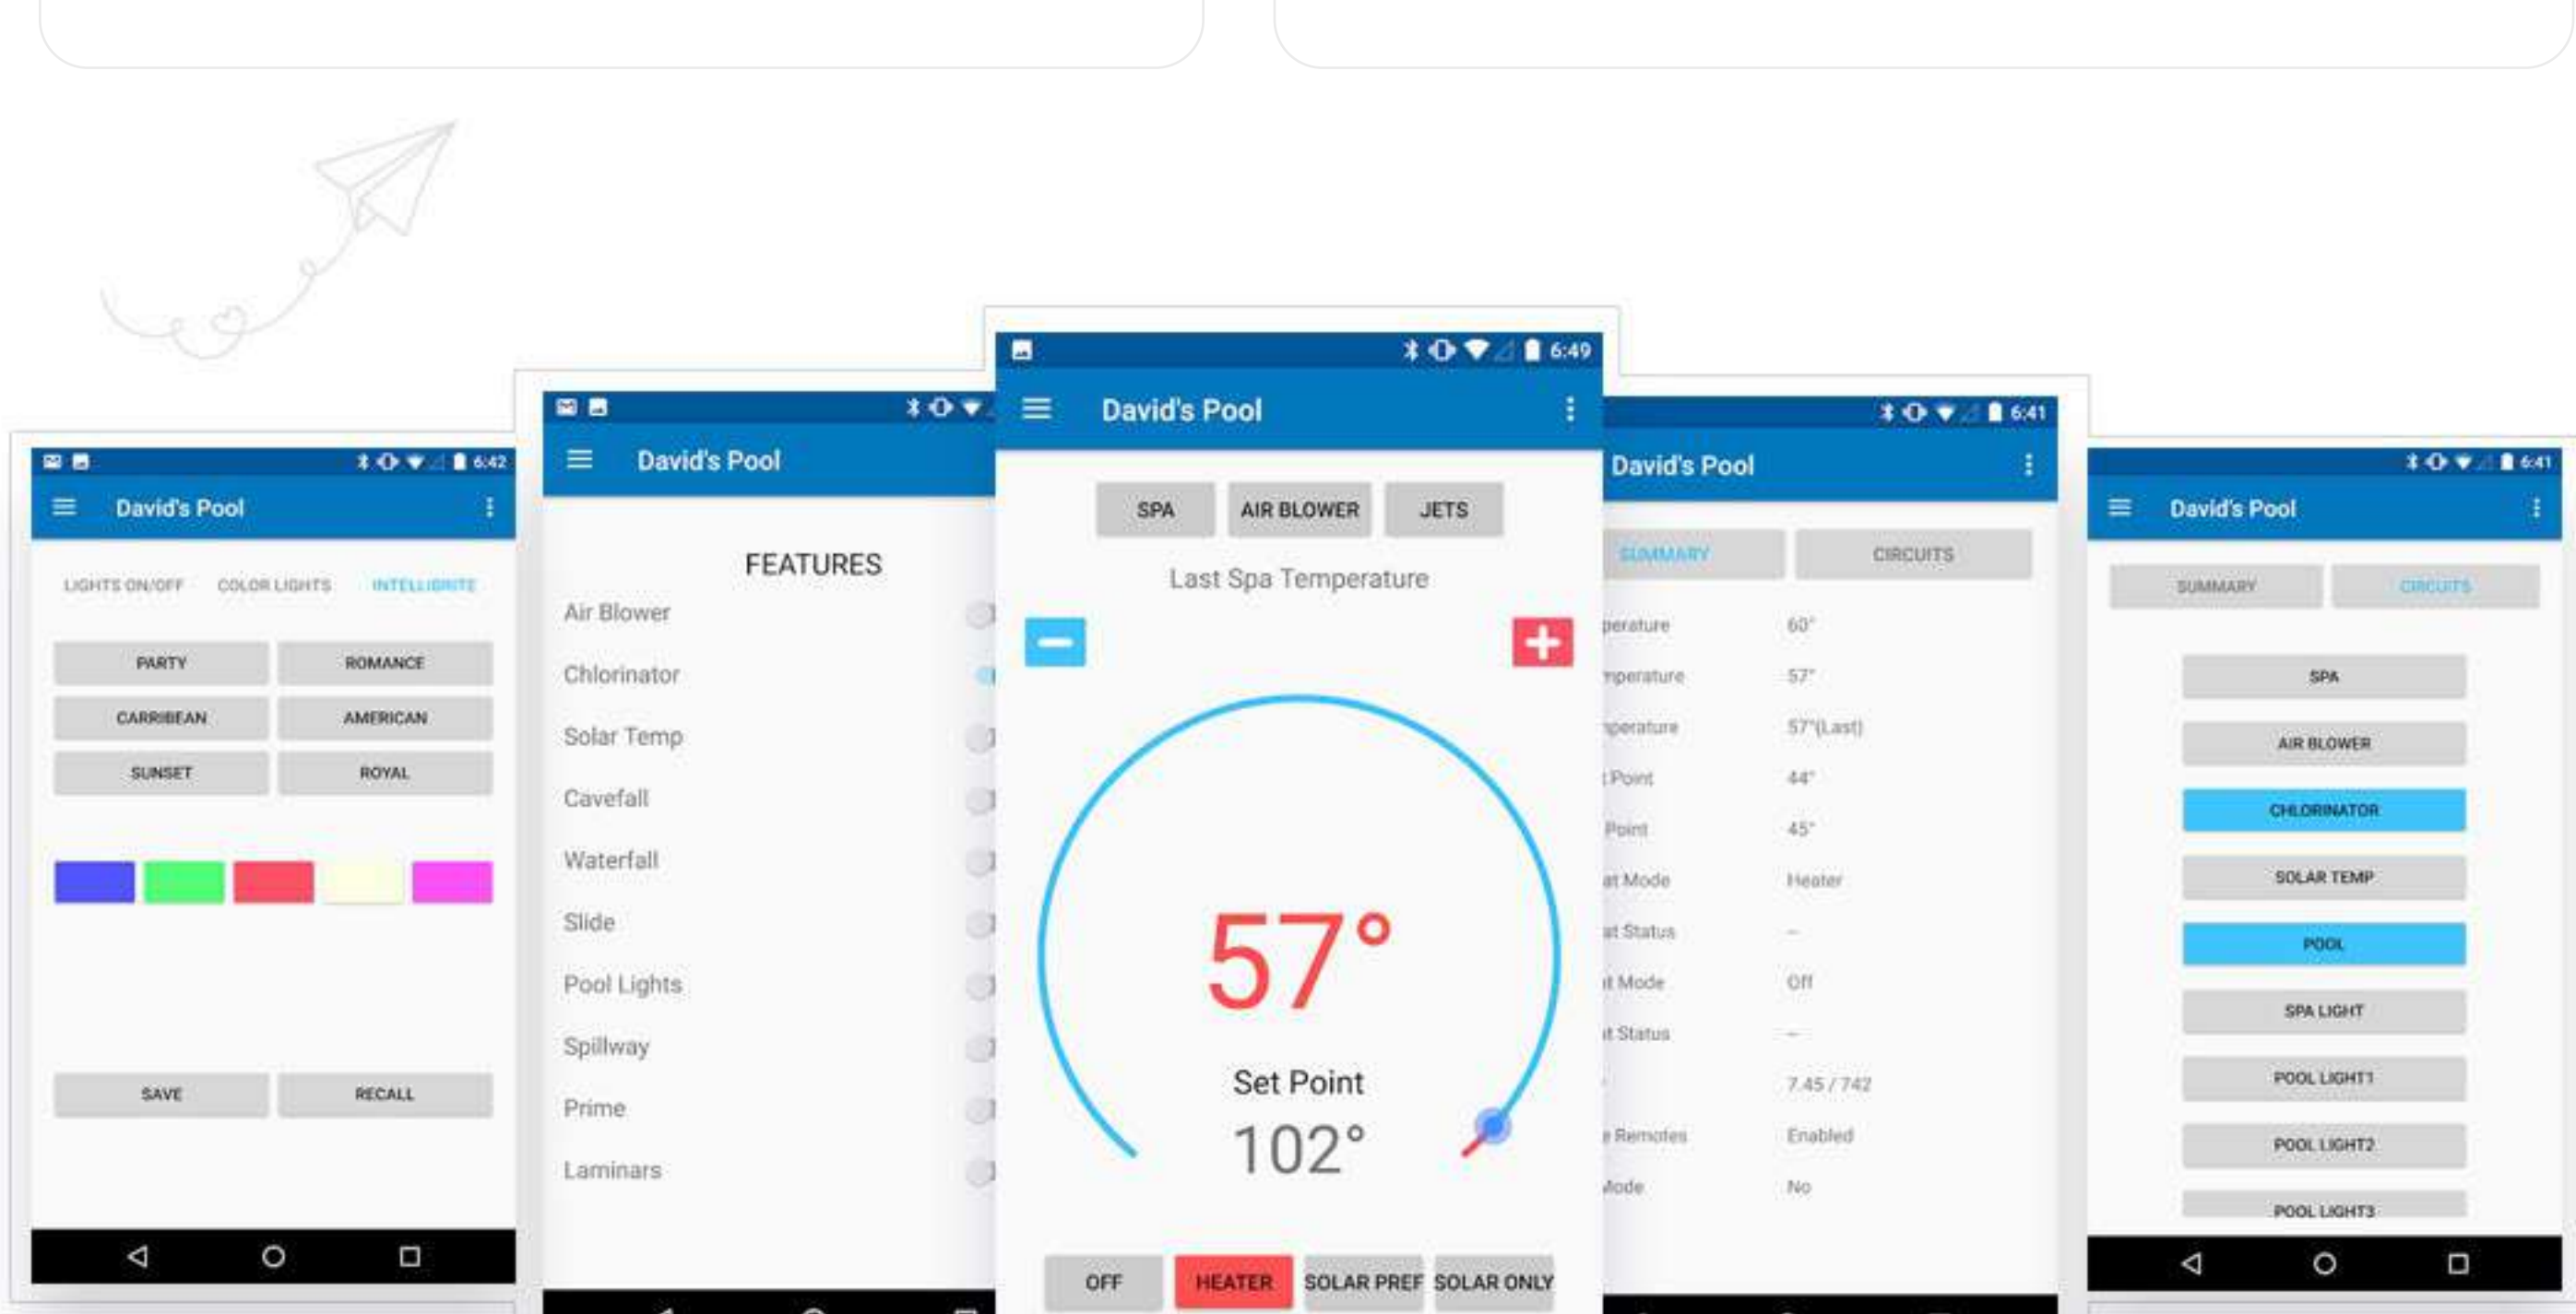

- Health references to understand your medication, tests and procedure.
- Reminders relevant to your topics of interest.
- Practical information, such as digital maps
- Medication savings

IntelliCenter

IntelliCenter features new color touchscreen interfaces at the equipment pad as well as via an optional indoor control panel and/or optional wireless poolside remote. Its razor-sharp screen clarity and step-by-step instructions make operation a cinch. IntelliCenter also has enhanced voice command capabilities through platforms like Amazon Echo®. Paradise truly has never been more simple.

PlateList by Menü

Menü is the fastest and easiest meal planning app on the planet. In just one tap choose your meal plan preference from 16 choices and Menü will build you a custom 7-day meal plan with 12 FRESH meal options. Menü connects you directly to meals curated by the most influential people in health and food.

FEATURES:

- View dietitians, experts and celebrities to see what restaurants they recommend.
- View nearby restaurants with healthy recommendations
- Drag meals from your plan to your drawer to save for later

letsact - Die App für Volunteering

Mit letsact wird Gutes tun ganz einfach. Entdecke ausgewählte lokale Projekte in deiner Nähe und melde dich mit nur einem Klick an. Ob du dich für Umwelt, Tierschutz, Kinder oder Flüchtlinge einsetzen willst - auf letsact findest du dein passendes Engagement!

MELDE DICH MIT NUR EINEM KLIK AN

Gutes tun sollte maximal einfach sein. Deswegen kannst du dich bei uns mit nur einem Klick für soziale Projekte anmelden. Damit investiert du deine Zeit nicht mehr in die Suche, sondern ins Volunteering!

Thank's for watching!
